This book is a valuable resource for both historians and general readers alike. We cannot thank the Innis family enough allowing us to reprint this timeless classic," said Brandon Delvo, "Sagas" of the Fort Buford Sixth Infantry board member and project coordinator.

About the Author: Ben Innis, Jr. was a prominent researcher, historian, and promoter of the history-rich Missouri-Yellowstone confluence region. Born in Wolf Point, MT, in 1920, Innis moved to Williston, ND, as a child. After service in World War II, Ben returned to Williston where he had a long career in local radio and television news. Innis founded the Fort Buford Sixth Infantry Regimental Association in 1962, and led the unit as the official North Dakota delegation to the New York World's Fair

in 1964. He later organized the Fort Union-Fort Buford Council, and spearheaded successful efforts to place Fort Union Trading Post in the National Park System. The author of numerous stories, journal articles, and historical booklets, Innis is widely remembered for his 1973 publication, "Bloody Knife: Custer's Favorite Scout". Ben Innis died in Williston on April 9, 1985, as "Sagas of the Smoky Water" was in final production.

Fort Buford Sixth Infantry Regimental Association: The Fort Buford Sixth Infantry has been a living history organization that is dedicated to preserving the history of the Missouri-Yellowstone Confluence Area and the history of the common soldier that was stationed at Fort Buford throughout the fort's history from 1866-1895. The Sixth Infantry has been involved in numerous living history and historical education events throughout its history. It remains active in community events throughout the year with events at Fort Buford State Historic Site and others in the Confluence Region.

E-rase Your E-waste Set For Sept. 13-14 In Sidney & Fairview

This year's annual E-rase your E-waste event is set for Sept. 13-14, so clear out those closets and storage sheds and recycle all of those damaged and obsolete electronics for free.

"We've had a number of calls already from people asking about our fall event, so we are excited to let everyone know that the dates have been set," event

coordinator Heather Luinstra said early this month. "Once again, we have partnered with Yellowstone E-Waste Solutions out of Billings and we will host a joint event with the Town of Fairview. Collection times for the weekend event in Sidney are from 3-7 p.m. on Friday Sept. 13, and 9 a.m. to noon on Saturday, Sept. 14. The collection site will be at the Richland

County Shop, right next to the fairgrounds.

Fairview's collection event is on Saturday, Sept. 14 from 10 a.m. to noon. The Fairview location will be at the water station on 9th Street.

"Just like many other markets that we are seeing changes in lately, this year we will see a few changes to what our recycling partner

is able to accept to recycle. Similar to the last few years we cannot accept any tube type TVs or computer monitors, however flat screen televisions will be accepted again this year. And, our recycler does accept all rechargeable batteries, even car batteries, as long as they are in good shape and not damaged," said Luinstra.

As in past years, lo-

cal businesses, hospitals, school and other agencies and organizations with large amounts to e-cycle are asked to make an appointment by calling Luinstra at the Richland County Health Department 406-433-2207 or emailing heather.luinstra@richland.org.

Edna Jensen

Edna P. (McGinnis) Jensen, 92, went to her heavenly home on Thursday, Aug. 2, 2024. Edna was a loving wife, mother, grandmother, great grandmother, sister and friend to many. She was born at home on a cold winter day in the hills of Charlie Creek, MT, on Jan. 14, 1932, to Clifford and Beulah (Hackley) McGinnis. She attended a country school her first years of school and then went to high school and graduated from Sidney High School.

She met the love of her life, G. Donald (Don) Jensen and they married on Aug. 20, 1950. The couple moved many times in their first few years of marriage. During this time, they began their family with son, Allen, being born, followed by daughter, Donna, and another daughter, Peggy, completing the family.

Work would take them to Illinois, and then further east to Virginia for several years. Montana finally called them back home in 1972 and they have been settled in the Sidney area ever since. All the while Edna was alongside Don in every endeavor. She worked for Jensen Drywall as bookkeeper and transitioned into being a rancher's wife when they moved back to Montana. She especially loved it when they had horses and getting to work with the colts. When retirement time came, she was a faithful partner in the fishing boat. Edna was recently asked how she managed to stay married for 73 years and she told the person that they had always been 'Buddies'.

All the while, Edna's first priority before any kind of job was her faith in God and her family. She was so devoted to each of them and truly would do anything possible for her children. A part of Edna died the day she lost her son, Allen. She was able to find comfort and joy with her remaining family. With 13 grandchildren, Dennis Jensen, Rick Jensen, Wade Jensen, Karen Jensen Overman, Zack Jensen, Brian Tobias, Jill Tobias Lee, Hanna Tobias Hawkins, Kevin Tobias, Gretchen Tobias Lee, Kurt Tobias, Justin Hall and Nikki Hall and 26 great grandchildren, her cup has been full of love and happiness.

Edna was a member of Sidney Assembly of God Limitless Church. She served in just about every area throughout the years, as long as it wasn't the front and center. She was always content to be in the background, working in the kitchen, the set up and clean-up crew, and rocked many babies in the nursery. She loved children and taught Sunday School for many years. She had a tremendous faith in Jesus as her Savior and has passed that heritage down to her family. She prayed continually for each one of them.

She is survived by her husband Don, daughters Donna (Craig) Tobias and Peggy (Craig) Hall, sisters Betty Larsen and Bessie Diede, her grandchildren and great grandchildren, and numerous nieces and nephews and cousins.

She was preceded in death by her parents Clifford and Beulah McGinnis, brothers Charles and Albert McGinnis, sisters Margaret Salvevold, Joan Sommers, and Rhonda Smith, son Allen, and infant great grandson Job.

Her legacy lives on in her family. She will be deeply missed and never forgotten.

OBITUARIES

Joyce Rogness, 87
Watford City, ND

Joyce Rogness, 87, Watford City, ND, peacefully passed away on Thursday Aug. 1, 2024 at her home in Watford City, ND, with family by her side.

Joyce Rogness

Celebration of Life Services were held Saturday, Aug. 10, 2024 at 11 a.m. at the Eagles Club, Watford City, ND, with Chaplain Rob Favorite officiating. A luncheon followed the service for a time of fellowship and sharing. Joyce was laid to rest at Teepee Buttes Cemetery, Watford City, ND. Fulkerson Stevenson Funeral Home, Watford City, ND, is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulkersons.com.

Joyce Helen (Boots) Rogness was born July 15, 1937, to Lajoi and Florence (Murray) Boots. She was the second of four children. Joyce married Ardell Rogness on June 26, 1954, and to this union was born one son, Raymond Ardell (Tinkie). Joyce was blessed with three grandchildren Heather, Jenna, Skyler, three great-grandchildren Chase, Teigan, and Riley.

Growing up, Joyce had a very special bond with her father. While Joyce sang and played guitar, her father played fiddle. Together, they traveled and performed at many barn dances and weddings in the area. This began a love for music that carried on throughout her entire life. Joyce and Ardell owned and operated the City Bar in Watford City for two decades. During those years they sponsored dozens of softball and baseball teams, served thousands of pounds of slush burgers and baked beans, 20 Christmas Eves of endless Tom and Jerrys, and enjoyed thousands of Friday nights filled with friends, beers, laughs, and darts.

Joyce and Ardell spent many winters snow birding in Apache Junction, AZ, with their furry companion Sam. During this time many lifelong friends from all over the United States were made. Joyce was a dedicated member of the Eagles Club and Auxiliary and enjoyed spending time with the members. She especially loved spending time with her closest friends Becky, Claudia, and Sharon.

Joyce is survived by her three grandchildren Heather, Jenna, and Skyler; three great-grandchildren Chase, Teigan, and Riley; many nieces and nephews and great nieces and nephews; and many friends that she dearly loved.

Joyce was preceded in death by her husband of 60 years, Ardell; one son Raymond; both parents; two sisters Mava (Bunny) and Wanda; one brother Duane (Jake); one nephew Joie; one niece Starr; and one great great niece Lillian. Joyce will be missed by many.

Shary attended Sidney Senior High School, serving as the A.S.B. representative for the Distributive Education Club, and graduated in 1965 a Jaycee Scholar. She began her service in the Air Force the following year. There she earned the title "Might Mouse", a nickname used fondly by her loved ones for the rest of her days.

She raised her daughters in Sidney, MT, where she appreciated the simple, rural life the area affords.

Shary enjoyed many creative hobbies, including sewing, wood carving, photography and gardening. She would master a craft and then move on to the next, as her joy was found in the challenge.

Job change?

Whether retiring or changing jobs, you'll want to know your retirement account options.

There are four potential options for your 401(k) when leaving an employer:

- Leave it in your former employer's 401(k) plan, if allowed by the plan.
- Move it to your new employer's 401(k) plan, if you've changed employers and your new employer plan allows for it.
- Roll the account over to an individual retirement account (IRA).
- Cash it out, which is subject to potential tax consequences.

We can talk through your financial goals and find the option that works best for you.

OBITUARIES

Federico "Fred" Sifuentes Sr., 89, Sidney, MT

Fred Sifuentes Sr., 89 peacefully passed away on Sunday Aug. 4, 2024, at his home in Sidney, MT, with family by his side.

Mass of the Christian Burial will be Thursday Aug. 15, 2024, at 10 a.m. at St Matthew's Catholic Church, Sidney, MT, with Father Jim O'Neil officiating. Visitation will be Wednesday Aug. 14, 2024, from 10 a.m.-4 p.m. at the Fulkerson Stevenson Memorial Chapel, Sidney, MT. Fred will be laid to rest in the Sidney Cemetery, Sidney, MT. Fulkerson Stevenson Funeral Home, Sidney, MT, is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulkersons.com.

Federico "Fred" or "Lico" Antonio Sifuentes, 89, was reunited with his father, mother, brothers, and daughter on Aug. 4, 2024. He was at home surrounded by his family under the End-of-Life Care in Sidney, MT.

Fred was born on May 10, 1935, in Eagle Pass, TX, to Emilio and Dolores (Cortinez) Sifuentes. He attended school in Eagle Pass until the 3rd grade. He didn't like school so he began working as a farmer and would come to Sidney with his parents as seasonal "beet laborers", hoeing and tending to sugar beets. One summer while working in Sidney he saw Lola, who would turn out to be his partner for life, and it was love at first sight. He loved telling the story of how he said "que bonitas nalgas" then told his mom "I'm going to marry her".

In 1955, Fred united with Lola vowing to spend the rest of their life together. In 1958, Fred, Lola, and the kids packed up and headed to Los Angeles, CA, where he worked building up the runway for LAX with his uncle Louis. Fred and Lola lived in California for only a short time as they did not care for the city life so they packed up their family once again and headed back to Sidney. Once they returned to Sidney, Fred continued to work for the Propp farm where they raised their children. In 1970, Fred and Lola moved their family off the farm and into town. They lived in a small house in town for a short time. In approximately 1971, Fred went to work for Holly Sugar and in 1973 they were able to buy their first home where he would remain for the entirety of his life.

Fred and Lola were always busy working and helping take care of their grandchildren. Fred and Lola had their grandchildren running in and out of their home for many,

Fred Sifuentes Sr.

many years. Fred worked as a watchman for Holly Sugar for 25 years but after some health issues he was advised to retire earlier than expected. After retirement, Fred often welcomed company, often joking about how he was on days off for these days then he was on vacation for the others, to make light of the situation of not being able to work since that is what he did since he was a child. Fred welcomed company in his home where he loved to visit, listen to music, tell stories, and drink a "cold one". Fred's children Tony, Freddie, Gloria, and Olivia remained at the factory, and he would often talk "shop" with them so that he could keep his ties. Fred was a generous man and a great provider for his family. He and Lola had many friends.

Fred is survived by his wife of 69 years, Dolores "Lola" Sifuentes; children Yolanda Hibbard, Spokane, WA; Pastors Tony (Martha) Sifuentes, Glen Ullin, ND; Mary (Ed) France, Manchester, NJ; Fred (DeeAnn) Sifuentes, Sidney, MT; and Olivia Sifuentes, Sidney, MT; his step-children Stella Gallegos, Isabel Chavez, Humberto (Juanita) Ramos, and Rosario DelBosque all of San Antonio, TX; 19 grandchildren; 41 (with one on the way) great grandchildren; several great-great grandchildren; numerous step-grandchildren, step-great grandchildren, nieces, and nephews.

Fred is preceded in death by his father Emilio Sifuentes; his mother Dolores Sifuentes; his brothers Rudy, Emilio, Edward, and Albert Sifuentes; daughter Gloria Sifuentes Zadow; and infant son.

NOTICE OF APPLICATION AND INTERVENTION DEADLINE

1. On July 15, 2024, Montana-Dakota Utilities Co. ("MDU") filed with the Montana Public Service Commission ("Commission") its Application for Authority to Establish Increased Rates for Natural Gas Service ("Application"). MDU asserts that its existing natural gas rates are unjust, unreasonable, and not compensatory and that an increase in rates will allow it to fully recover its cost of providing natural gas service to its Montana customers and earn a just and reasonable rate of return on its natural gas property.
 2. MDU proposes a total increase of \$9,400,268, which would affect approximately 88,900 natural gas customers in Montana. The proposed rate change would increase the average residential customer's monthly rate by 16.4%, or \$8.68 per month, for residential customers using 65 dekatherms per month. MDU also requests interim rate relief in the amount of \$7,984,385 to take effect October 1, 2024. If approved, the interim rates would result in an average monthly rate increase of 10.58%, or \$5.17 per month, for residential customers using 65 dekatherms per month.
 3. A copy of the Application is publicly available at the

Commission's business office, 1701 Prospect Avenue, Helena, MT 59601, and online at the Commission's website (psc.mt.gov) under Docket No. 2024.05.061. A copy of the filing may also be available at the office of the Montana Consumer Counsel ("MCC"), which represents consumer interests before the Commission, 111 North Last Chance Gulch, Suite 1B, Helena, MT 59601, (406) 444-2771. Interested parties can register on the Commission's website to receive notice of filings in this docket. Instructions for subscribing to notices of filings are available at psc.mt.gov/reddi-help.

4. The Commission invites any interested party affected by MDU's Application to intervene in this docket. To intervene, a party must file a petition to intervene with the Commission no later than **August 21, 2024**. A party seeking intervention must file an electronic petition on the Commission's website at reddi.mt.gov. All filings must be made in REDDI and hard copies are not required. A party seeking intervention must also mail a copy of the petition to MCC at P.O. Box 201703, Helena, MT 59620, and to MDU's attorney, Michael Green, Crowley Fleck PLLP, 900 N. Last Chance Gulch, Suite 200, Helena, MT 59601.

5. The Commission invites members of the public who do not wish to formally intervene to submit written public comments on the matter to the Commission at 1701 Prospect Avenue, P.O. Box 202601, Helena, MT 59620, or by email to pschelp@mt.gov. Public comment may also be submitted in REDDI. Instructions for submitting public comments in REDDI are available at psc.mt.gov/reddi-help (select "Submit a Public Comment").

All comments received will be public records. Personal or private information should not be included in comments.
 6. The Commission's jurisdiction over this matter is provided in Title 69 and Title 2, Chapter 4 of the Montana Code Annotated; Title 38, Chapters 2 and 5 of the Montana Administrative Rules; and any prior orders of the Commission relevant to the issues presented.

OBITUARIES

Jeff Sifers, 67, Las Vegas, NV (formerly of Sidney, MT)

Jeff's Memorial Services are Saturday, Aug. 17, 2024, at 10 a.m. at Ebenezer Congregational Church, Sidney, MT, with Pastor David Meehan officiating. A luncheon will follow the service for a time of fellowship and sharing. Fulkerson Stevenson Funeral Home, Sidney, MT, is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulkersons.com.

Jeff Sifers

Jeffrey Stein Sifers was born in Sidney, MT, on June 2, 1957, to Sam and Rosella (Gunderson) Sifers. He is one of six children. Jeff's young life was filled with challenges. He was born with a cleft pallet which required many doctor appointments and painful surgeries. Jeff showed strength and perseverance through it all. It was clear from a young age just how strong Jeff was, not only physically, but in heart and spirit as well.

As a young boy in Sidney, Jeff was an active member of the Lonetree Creek 4-H Club. He also enjoyed going to the Saddle Club. He had a black Welch pony named Tony that he rode all over the countryside. He very much loved to hunt and fish and could always be found playing with all the other neighborhood kids.

Jeff and Shirley Mowery married in 1981, and Jeff became a stepdad to Shirley's children, Derek and Melani. Even though they parted paths, their close friendship lasted throughout his life and Jeff has always been a much-loved dad to Derek and Melani. Jeff made childhood fun and took the kids on many adventures. When Derek graduated high school, he moved to Las Vegas to live with Jeff.

Jeff worked many jobs throughout his life. As a young man in Montana, he drove trucks and his call sign was "Big Iron", which was spot on for all who knew him! He also worked the oil rigs for many years. He was proud to be a "roughneck". In 1988, Jeff left Sidney and moved to Las Vegas, NV, for work opportunities. He worked many years at the Nevada Test Site where he held some of the highest homeland security clearances anyone could obtain. He could have flashed his badge and walked right into the White House! Later, he worked for Nevada Ready Mix as a heavy equipment operator and his plant was known as having the highest productivity of any other plant in town. Their success was very much due to Jeff's abilities. Jeff was a hard worker and all who worked with him were glad to have him as part of their crew.

Jeff loved to travel. In his younger days, he spent time in Brazil with his mom, sister Janet, and brother-in-law, Melvin, who he was working for at the time. He took many trips over the years to fish, hunt, and visit family. He had the amazing experience of a Tiger Cruise aboard the USS Nimitz with his nephew, Waylon. Jeff and Ryan Painter enjoyed a month-long trip to Alaska. His bucket list trip was in 2018 to see his family in Bulgaria. He was so excited and proud to meet his relatives there. It was the experience of a lifetime for him. He had very much looked forward to traveling more.

Jeff enjoyed many things in life, including Westerns and a good game of cribbage. He liked to spend a lot of time outdoors camping, fishing and hunting. Jeff attended many races and car shows with his good friend, Scott Ramus. He was an avid birdwatcher and loved to see the various birds that visited his feeders in the back yard. He was a big fan of the Vegas Golden Knights and he was overjoyed to see them win the Stanley Cup!

Most of all, Jeff loved his family and friends. He loved wholeheartedly. Nothing made him happier than visiting with those he loved. He was a great storyteller and a good listener at the same time. If you knew Jeff, you knew you were important to him. Jeff lived honestly and with integrity and was always the first to help a person in need. He was a protective and loving Grampa and enjoyed every minute of his time with his grandkids. He took all the boys on many hunting and fishing trips. He taught them how to drive and how to fix cars. He would fix the girls' hair or pull a loose tooth. He was happy to go fishing with the girls or read books and do a puzzle. Jeff was very close to his siblings and his nieces and nephews also. He remembered fondly all the times he spent with them when they were young in Montana and all the visits they had as adults too. He loved having company and showing them around Las Vegas. He knew every great niece and nephew and watched for new pictures on his Skylight frame or phone. Jeff loved his family and was so proud of all of them. He loved and considered his lifelong friends as his family too. He was truly blessed with the best of friends.

Jeff passed away at his home in Las Vegas, NV, on July 13, 2024, after a courageous battle with cancer. He never measured his cancer progression. He just kept making plans for the future.

Jeff is survived by his son, Derek (Tami) Carpenter, Las Vegas; and daughter, Melani (Brent) Kline, Scranton, ND; his grandchildren Jordan Allen, Tyler, Colton, and Dylan

Carpenter, and Justin, Emily, Alyvia, and Lindsey Kline; his sisters Carol (Bill) Struckman, Savage; and Janet (Melvin) Croxton; Bowie, TX; brother Pete (Joyce) Sifers, Sidney; brothers-in-law Mike Anderson and Jerry Price; nieces and nephews Tony Jensen, Randy Jensen, Holly Moore, Billy Struckman, Laura Winters, Dale Price, David Price, Jodi Findlay, Chris Price, Waylon Olsen, Carol Olsen, Michelle Croxton, Stephanie Sifers, Jennifer Morken, Sara Sifers, Michael Sifers, Misty Anderson, Jeffrey Anderson, and Davi Jo Painter; and many great-nieces and great nephews and so many dear friends.

He is preceded in death by his parents Sam and Rosella Sifers; his sisters Kay Price and Calena Anderson; brothers-in-law Pat Moore, Melvin Croxton, and Bill Struckman; and his best friend, David Painter.

In lieu of flowers, contributions can be made to St. Jude's Children's Research Hospital in memory of Jeff.

Badlands SAR Conference 2024

Conference brings together those that seek to find the lost, missing, and injured

Submitted by Travis F Bateman, Founder / Board President, Badlands Search & Rescue

The Badlands Search and Rescue Service held its second annual conference in Watford City and throughout McKenzie County from Aug. 6-9. This year's event included ground, water, and K9 skill venues with attendees coming from Kansas, Illinois, Indiana, North Carolina, North Dakota, Wyoming, and South Dakota.

Held in partnership with the McKenzie County Sheriff's Office, the first day started at the law enforcement center before dividing up into those partaking in ground search basics, man-tracking, and sign cutting while those with four-legged partners met with trainers to begin working on their skills of

applying a K9 to a scent and then trailing that person through the rugged and challenging outdoors through private ranch property.

Elite SAR Training of Kentucky brought two instructors that started with a classroom portion on basic ground search topics before moving into the skillset of man-tracking, that is, to identify and follow a person's clues left behind in an outdoor setting. Shoe prints, environmental disturbances, discarded items, and other clues were all covered in the training based off of world-renowned tracking expert Fernando Moreira. Students then left the indoors behind and embarked on training in the rugged Badlands of western North Dakota.

Man-tracking is slow and methodical and while

it may appear initially as a waste of time when there is the pressure to cover as much ground as possible, being able to accurately identify a direction of travel rather than be searching in every direction for someone can actually speed up a search and increase the likelihood of a rescue versus a recovery.

Time is always of the essence but time scurrying about the land with no confirmation direction of travel can be a wasted use of resources and certainly time. Those present learned that attention to detail and scrutinizing the vegetation or soil can often yield clues that we often otherwise would fail to ever see. Students learned to measure and confirm a subject's gait, pace, left/right print, how to mark and differentiate the two, and what to

Photo submitted

do if the trail is "lost" and how to best work to reacquire it.

"People don't just vanish. They leave a trail no matter where they go," said lead instructor Brian Tooley. Students in Tooley's class included deputies from two North Dakota sheriff's agencies, Burleigh and McKenzie, and members of Badlands SAR.

Man-tracking is a multi-year process to become certified and more importantly to become accurate and experienced. It isn't simply a two-day course and now that person is a master tracker. This year's conference began the beginner level of what is a very long duration and multi-level skill.

A few miles away over canyons, plateaus, ridge-lines, and finally the valley of the Little Missouri River, paws and boots moved about the land across flats, through river bottom wood

line, up steep inclines, and back down them all the same as the American Military, Police Work Dog Association (AMPWDA) returned to the region.

Up ahead of the human 20-30 feet a search dog worked their nose, in search of whomever had left their scent here along this invisible trail. At the end of the trail sat, stood, or lay a human hiding or concealed so as to represent a person in need. Silently waiting for the search dog to find them, once dog meets the hidden human they are greeted with loud elation and the reward they are trained to receive for a successful run.

Distances of up to one mile for training and scent trails set of up to 12 hours were seen here and the Badlands in all their glory proved very challenging for both human and hound.

Water too was a focal

point of this year's conference with a two-day course provided by Marine Sonic Technology of Virginia. Members of Badlands SAR and Burleigh County Water Rescue were given a day of classroom instruction that covered an array of topics from sonar, frequency, search planning, and investigation to different devices, tactics, abilities, and best practices to apply.

The second day, the boat was put in and headed up the Missouri River where a tow fish system was deployed and demonstrated. Crews then worked with their current sonar systems and with the help of the expert on hand, fine-tuned them and learned how to dial in their devices for whichever water conditions and depths they were working in.

Upon conclusion of the conference on Friday, Aug. 9, those attending left with a wealth of knowledge and information to apply here to any search operation they may encounter in the future as well as became more aware of additional resources that may be available from elsewhere.

The ultimate goal is to swiftly and accurately locate a missing person following established and proven methods or in some instances to recover them. Anytime experts can be brought in to further strengthen knowledge and understanding of the best methods and actions to employ, the more prepared and better our local and regional resources become in order to meet the task at hand and execute proper and thorough searches.

The conference was completely free except for the canine venue.

A DARN GOOD LITTLE NEWSPAPER!

Sidney, Montana
406-433-3306

YOU CAN BUY A NEW CAR,

YOU CAN FIX THAT BIG RIG,

BUT YOU CAN'T REPLACE A CHILD.

Remember, school is beginning. There is a lot of increased traffic on our streets & roadways. The area public schools urge everyone to take extra care as our children board buses & cross the streets. Their safe arrival at school depends on everyone being extra careful. Stop for all school buses, yield to crossing pedestrians, hang up the call & stop texting.

The younger children are just learning...give them a **Brake!**
