"Spud Fest is a harvest celebration at the changing of the seasons, highlighting Arnegard's rich agricultural and potato growing heritage," said Philip Litteral, one of the organizers. The festival offers produce and crop competitions as well as judging of home preserves

Schoepp Receives MADA Eagle Award

By Dianne Swanson

Gary Schoepp, Action Auto and Eagle Country

Ford car dealer, Sidney, said he was totally amazed when pictures of he and his wife,

Karen, started to appear on the screen at the Montana Auto Dealers Association (MADA) meeting in Helena Saturday, Aug. 17. That segment of the banquet involved the presentation of the Eagle Award. As more and more photos appeared, it gradually dawned on him that he was this year's recipient of the prestigious award. "It really took me aback," Schoepp said. "It was a complete surprise. It is an awesome honor to receive this kind of award from my fellow auto dealers."

Sponsored by Assurant Dealer Services, the award winner is chosen by the MADA. The beautiful Eagle Award statuette is "In recognition of your soaring achievement 2024." The MADA stated that 'this award goes out to a dealer that

exemplifies what it means to give back not only to their family, their business, but also their communities. Gary is someone who is a selfless leader and above all things, cares about those around him. Thank you, Gary for creating not only a legacy in your community, but changing the lives and legacies of those around you.' MADA executive director Bruce Knudsen explained that the award is not about how many vehicles are sold, but about being an exemplary person. "Gary is beyond cool," he said.

When Gary Schoepp joins an organization, he becomes actively involved in the everyday workings of that organization. He served on the Sidney School board for nine years, has been a very active Kiwanian for over

40 years including a term as president, served on the Sidney Chamber of Commerce board and did everything from ticket taking to painting walls at the office, has been a member of Richland Economic Development since its inception and is a past president, a strong supporter of the Richland County Fair & Rodeo, just to name a few.

Schoepp is pleased and humble about the award. "We need to be part of the community," he said simply. "This community, our community, has hundreds of opportunities to get involved. What we all need to do is get involved, just do it! Make someone's life a bit better, including your own."

Congratulations Gary. The honor is well deserved!

Sidney Health Center Earns "A" For Social Responsibility On National Ranking Sidney Health Center among best in the nation at serving its patients and community, according to independent think tank

By Rita Steinbeisser

Sidney Health Center has been recognized by the Lown Institute as one of the most socially responsible hospitals in America, receiving "A" grades in Equity, Value, and Outcomes on the 2024-25 Lown Institute Hospitals Index. Out of more than 3,500 hospitals measured by Lown, only 5% achieved honor roll status, with Sidney Health Center ranking among this select group of high performers.

Sidney Health Center ranked 1 out of 16 critical

access hospitals in Montana and 1 nationally on the social responsibility metric. According to the Index, the hospital also performed well on Lown's Equity, Value and Outcomes metrics. These are independent rankings and hospitals do not apply or pay to be listed.

"We are incredibly proud to be recognized as the number one hospital in the nation by the Lown Institute, out of more than 800 critical access hospitals, with only 40 achieving Honor Roll status," said Jennifer

Doty, Sidney Health Center CEO. "This top ranking underscores our unwavering commitment to social responsibility and the delivery of equitable, high-quality care. It's an honor to have our teams recognized for their daily dedication to ensuring that safe, quality care is always our top priority."

"Great care is only great if everyone can access it," said Vikas Saini, MD, Lown Institute president. "We need hospitals that are not only leaders in clinical care, but also strong community part-

ners—and the hospitals at the top of our list are showing the way."

The 2024-25 Lown Hospitals Index for Social Responsibility is the only ranking to combine metrics of health equity and value of care alongside patient outcomes, for more than 3,500 hospitals nationwide—offering a holistic view of hospitals as total community partners. Lown's 5th annual Index evaluates hospitals on over 50 measures, including novel metrics such as community benefit, racial

inclusivity, and avoidance of overuse. Data sources include Medicare fee-for-service and Medicare Advantage claims, CMS patient safety data and hospital cost reports, and IRS 990 forms, among others. Full methodology can be found on the Lown Index website.

The Lown Institute is an independent think tank advocating bold ideas for a just and caring system for health. Learn more at www.LownHospitalsIndex.org.

Lisa Michelle Hentges, 48 Sidney, MT

Memorial Services were Wednesday, Aug. 28, 2024 at 11 a.m. at Ebenezer Congregational Church, Sidney, MT, with Pastor David Meehan officiating. A luncheon followed for a time of fellowship and sharing. In lieu of flowers, memorials may be made in Lisa's name to Sidney Health Center Cancer Care. Fulkerson Stevenson Funeral Home, Sidney, MT, is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulkersons.com.

Lisa Michelle Hentges

Lisa Michelle Hentges was born Jan. 2, 1976, at Mercy Hospital, Williston, ND, to Larry Hentges and Shirley Ault. While still in the hospital, she was diagnosed with a bowel intussusception and was flown to the Mayo Clinic, Rochester, MN, for emergency surgery which was successful.

We made our home in an old farmhouse north of Poplar, MT, where she joined her older brother Lance. On Nov. 9, 1977, her daddy was killed in a tragic accident. That is when we decided to move to Sidney, MT. Shirley met her soulmate Kenneth Siebenaler shortly after that and were married. Kenny raised Lisa as his own and loved her every day since. Lisa and Lance went to school at West Side Elementary, Sidney Middle School, and High School.

Most of her life she lived in Sidney, MT, but briefly she also lived in Lanesboro, MN, with her two daughters Caitlyn and Calee and her husband Chad. She then moved back to Sidney where her son Caden was born, which completed her family.

Lisa had many jobs in her 48 years, serving mainly as a waitress at the Cattle-Ac, South 40, and Winners Pub. She always had a smile on her face and was friendly to everybody and was special to all that knew her.

Very passionate about gardening and flowers, Lisa loved being outside and in the sun. Most days of the summer you could find her at Gartside with her children and her two grandchildren Jessi Lynn and Kannon Michael, who were her world. She enjoyed being on her paddle board with her dog Baby, a Yorkie Mix. Baby was her best friend and her companion in the last years of her life.

Lisa was a die-hard Cubs fan along with cheering on the Dallas Cowboys at the Winner's Pub. She enjoyed playing Bingo and had a love for all kinds of music. Hard rock was her favorite including Clutch, Five Finger, and System of a Down and Jelly Roll was also one of her favorites. She had lots of friends who loved her for who she was, including her special friend Guy.

Lisa passed away on Tuesday, Aug. 20, 2024, in the early hours at her home following a long, hard battle with cancer.

Lisa is survived by maternal grandmother Donna Ault Sundsted; parents Shirley and Kenny Siebenaler; brothers Lance M. Hentges (Tiffani) and K.C. Siebenaler (Erin); daughters Caitlyn M. Whitson and Calee L. Sheehan; son Caden D. Johnson; grandchildren Jessi Lynn and Kannon Michael; and 8aunties, 3 uncles and too-numerous-to-count first cousins, but special sister-cousins Jennifer and Melissa Spence. She also had 7 nieces and nephews.

Lisa is preceded in death by her daddy Larry Hentges, grandfather Eddy Ault, grandma Viola Hentges, great grandparents Ben and Vivian Nordwick, and two double-first cousins Kay and Amy Hentges.

Lisa is very loved and will be very missed.

5th Annual "War In Watford" Hockey Event Sept. 6-7

By Robyn Heck

The "War In Watford" is a two-night, live hockey event featuring the Bismarck Bobcats and the Minot Minotauros of the North American Hockey League. This pre-season exhibition series is always competitive and action packed, as both teams have players looking to make the cut for the main roster. This family-friendly event will have a night full of fun for all ages.

This year, the "War In Watford" is themed as "The '80s Vs. The '90s. Friday, Sept. 6 will be 80's night, and Saturday Sept. 7 will be '90s night. The Bobcats will be the team representing the '80s both nights, and the Minotauros will skate under the banner of the '90s. "Fans are encouraged to dress up and come in outfits, as we will have prizes and other fun interactive elements throughout the night." said Brock White,

City of Watford Marketing and Communications coordinator.

This year, they have added a new twist, with DASH Interactive online auctions, where fans can buy exclusive game used memorabilia, and replica jerseys, all from the convenience of their phone. There will also be the traditional live auction, which takes place after the last game on Saturday night. Fans can find out more about DASH on the "War In Watford"

Event page on Facebook.

White said, "There's really nothing like "The War In Watford" in our region. The over-the-top production, fast paced hockey, crowd interaction, and the amazing Rough Rider Center, combine to make it an event that people circle on the calendar and

make sure they come to town for."

Tickets are on sale now, starting at \$10. They can be bought online at roughridercenter.com, or at the box office the day of the event. Make sure to follow The Rough Rider Center on

2024-25 Big Concert Series Kicks Off Sept. 27

The Northeastern Arts Network is pleased to present the 2024-25 Big Sky Concert Series. This year's series features exciting a kaleidoscope of musical entertainment as part of this art organization's ongoing commitment to provide quality entertainment to the community with a variety of shows that will appeal to every age and interest. The following performances will be held at 7 p.m. at the MonDak Heritage Center in Sidney.

The season kicks off on Sept. 27 when Montana Repertory Theatre presents "MONSTERS+FARMERS" by JM Christiansen.

Join us as we step into the captivating world of Riley, a teenage science enthusiast living on a Montana ranch near the scenic Mission Mountains. Inspired by Mary Shelley's timeless masterpiece Frankenstein, Riley embarks on a fascinating endeavor to create her own DIY creature, chronicling the process on her popular YouTube channel. But when her creation takes an unexpected turn, Riley and her brother Aidan must navigate the chaos to safeguard their surroundings, all while the world watches through their smartphones. "Monster + Farmer" intricately explores themes of creation and connection in an increasingly digital landscape, offering an engaging and thought-provoking theatrical experience.

On Oct. 24, we welcome Montana's own, The Lucky Valentines. The Lucky Valentines have written upward of eighty songs, and use a mix of folk melodic sensibilities, tight harmonies, and a whole lotta love

to make sad things beautiful. Their sound could be bottled up as "Bruce Springsteen and Patty Griffin meet Shovels and Rope in a Gypsy Junkshop". He sometimes uses a thirdhand suitcase as a kick drum, and the rotary phone from her father's shop as a mic. She blends classical violin with raging folk passion. He channels John Prine and Hank Williams. They have been featured on MTPR's Musician Spotlight, at Austin's Iconic Hole in the Wall Cafe, the Red Ants Pants Music Festival, and were featured on 11th and Grant with Erik Funk. TLV blends homespun DIY folk and country sounds with fresh sonic energy; infused with cold heartache, electric wonder, razor sadness and fiery joy, their music is made to be played on repeat.

The Jazz Legacy Project performs the great leg-ends of jazz such as John Coltrane, Billy Holiday, and Thelonious Monk on Nov. 7. Created in 2015 after an epiphany Justin Varnes had while teaching Jazz History at Georgia State University, the JLP has an ongoing residency at the Velvet Note jazz club in Atlanta, where they have been selling out their performances for six years and counting. Ditching a traditional textbook in favor of playing records and telling stories about the artists to college kids who knew little or nothing about jazz proved to be a big success. It turned out that performing the artist's music and telling their stories in between proved to be an even bigger success. But it's more than just offering insight into what to listen for when listening to jazz, it's also woven into American history - as jazz

itself is. Many movements in jazz are a direct result of cultural shifts in America, and connecting an artist's music to a time or an event in history can open up a new world when listening to it.

March 20, 2025 will feature the "A Cappella" group Backtrack Vocals from New York City. This 5-person professional a cappella singing group transforms familiar pop, funk, Motown, standards, and Broadway songs with all-new vocal (and beat-box) arrangements. Capital-

izing on their fresh sound, they began their musical

journey by launching a YouTube channel, where their unique music videos featuring new arrangements of songs by Sia, Katy Perry, Demi Lovato, Taylor Swift, Maroon 5, Ed Sheeran, John Legend, Meghan Trainor, Michael Jackson, and Shawn Mendes (to name a few!) have garnered over 10 million views. Backtrack Vocals recently won New York's Got Talent Season 6, and other high-profile appearances include television spots on NBC, FOX, PBS, Steve Harvey's daytime show STEVE!, and Broadway's Kinky Boots.

All concerts are held at the MonDak Heritage Center (406-433-3500) in Sidney at 7 p.m. Season tickets can be purchased at the door: adults \$60, senior \$55, and students \$35. For concert information contact Leann 406-480-5594 or Jill 406-489-4304.

The Big Sky Series is made possible in part by the Montana Performing Arts Consortium Presenter Development Program which is supported by grants from the National Endowment for the Arts, Montana Arts Council, legislative grant from Montana's Cultural Trust, and WESTAF.

THE RACING ROUNDUP

15-Year-Old Gaudreau Follows In Father's Racing Career

By Katelyn Sponheim

A passion for dirt racing runs deep in Landon Gaudreau. The son of Terry and Lindsay Gaudreau, Williston, Landon has been racing since he was 11, in the Coca-Cola Junior Slingshot series at the Williston Basin Speedway. At 14, after winning two season championships, he timed out in the slingshot division (8-14 years old) and now at 15 has decided to advance his racing career by moving into sprint cars.

Landon and his father have done their homework. Terry having watched the career of Donny Schatz from its beginning in go-carts to his status as one of the most successful sprint car drivers in the world. Donny is also a North Dakota native, hailing from Minot, ND. He races with the World of Outlaws dirt racing series, which brings high stakes dirt track racing to locations all over the United States and beyond. Donny currently calls Fargo home.

Terry Gaudreau owns TNT Fireworks, and originally built and ran the Williston Basin Speedway that is in existence today. He enjoys it more from the pits these days, watching his son's race. Landon and his younger brother, Sawyer, 11,

have been racing fans from a young age. They have had the privilege of meeting Donny Schatz and other top drivers throughout their lives, and these powerful influences have fueled the fire to the top. Despite the challenges of changing to sprint cars, learning an entirely new vehicle and traveling farther to competitions, Landon is excited to get to work. They were able to acquire two sprint cars, IMCA 305 Race Savers, and a trailer for hauling them. Both came together through connections and friends in the business, which has been encouraging for a smooth transition. The new-to-them trailer was originally owned by the current World of Outlaws point leader, David Gravel.

Landon said the most important part of any driving passion is seat time, and he's enthusiastic about getting in his new ride. Whether he must haul to a track, or build one, he'll be finding as much time in them as possible to prepare for his first season. He likes to know how to make his cars tick as well, keeping up on maintenance and looking for a mechanical edge whenever possible. His competitive nature has served him well in racing, and on the track,

From left, Landon and Sawyer Gaudreau, with the Buffalo Wild Wings Team members, Mark Dobmeier, Wyatt Thompson and Billy Matejcek. (Submitted photo)

that means looking for ways to outdrive or outmaneuver his competitors. Driving truly is a sport that requires its competitors to be both savvy with their cars, on and off the track and under the hood.

Drivers must be physically fit and mentally sharp. Tactics, planning, environmental factors, and surface variables must be accounted for. Then there is the learning curve of changing vehicles. With sprint cars, the power to weight ratio is the best of all vehicles in all motorsports, but it will take some getting used to. Due to their wings and aerodynamics, drivers accelerate through curves instead of braking or slowing for them. There are currently three divisions; 305, 360, and 410.

There's no doubt Landon wants this as much as his family wants to support his dream. Terry says

after races, you wouldn't find him slacking off but cleaning his car and getting ready for the next race. Recently, they have been shadowing Mark Dobmeier's Buffalo Wild Wings race team from the Grand Forks area to prepare and are grateful for all the friends and connections that are currently helping them. They recently attended the world's largest dirt racing event for sprint cars, the Knoxville Nationals, Knoxville, IA, and were blown away by the size of the event. With over a week of racing, the town of 7000 expands to over 45,000, where everything revolves around the track right in the center of town. This, and the races that lead to it, are where Landon hopes to be racing in the near future.

While Williston Basin Speedway does not currently host sprint car racing,

it has in the past and they were known to fill the grandstands. Even if Landon is not there, Sawyer will still be racing in the Coca-Cola Junior Slingshot series, and it will remain where Landon got his start racing and his first championships. With

racing season coming to a close, some drivers will travel south for competitions. Only two nights of racing remain at the Speedway, The Fall Roundup Sept. 14-15, so make sure to get in your adrenaline fix.

Landon (right) and his younger brother Sawyer Gaudreau (left), admire the Buffalo Wild Wings sprint racer. (Submitted photo)

Guest Opinion: Welcome To The Eastern District Race

By John B Driscoll, Candidate
U.S. Congress Eastern Montana

"Good for Ms. Neil for filing as an independent write-in candidate in this Fall's general election for Montana's Eastern Congressional District's Representative. Clearly she feels strongly that Democrat voters should not have nominated me of the four of us running in the Primary. I get it but do not equate raising and spending lots of other people's money to 'campaigning' for public policies important to Montanans.

In 2002 after I got home from the Pentagon, having worked as Deputy Crisis Action Team Chief for Operation Enduring Freedom in the National Military Command Center, I already knew plans were afoot for a shooting war with Iraq. Like Ms. Neill I opted to file as an Independent to warn Montanans about the bad idea about to unfold, as it did in 2003. Without finding the nuclear weapons given as the

excuse for war, 4,431 American servicemen and women lost their lives, and more than 31,000 were wounded in auction. Nearly 100,000 civilians died.

Though my efforts were ignored, I'll never regret making them. Ms Neil's entry into the eastern district race now means that a number of votes equal to what she gets plus the 30,000 open-minded Republicans I've been steadily trying to physically meet, will be necessary for me to win and send a big message to the political party elites that actual votes by people willing to get off the couch, not huge sums of money for advertising to the brainwash the passive are "free speech."
