2024 Richland County Fair & Rodeo "Back Roads and Tractor Shows" This Week

From July 31-Aug. 3 the Richland County Fair & Rodeo invites you to join in the festivities celebrating the theme of Back Roads & Tractor Shows. Get ready for four days packed with excitement, entertainment, and the best of rural Montana culture.

CowTown USA invites visitors of all ages to experience the charm of rural life with a petting zoo open all day. From cuddly farm animals to interactive exhibits, there's plenty to delight animal lovers and there's even pony rides! Plus, don't miss Rollo strolling around and Leapin' Louie's captivating performances, featuring three shows a day filled with laughter, thrills, and stunts that will leave audiences of all ages in awe.

Take a leisurely stroll through our new building and marvel at the county's best exhibits, showcasing the creativity, craftsmanship, and agricultural heritage of Richland County. From antique tractors to handcrafted quilts, each display offers a glimpse into the rich tapestry of rural life. Admire the skill and dedication of local artisans and farmers as you explore the diverse array of exhibits on offer.

Indulge in the finest fare the region has to offer as you explore a culinary paradise of flavors and aromas. From classic fair favorites like funnel cakes and corn dogs to gourmet treats and local specialties, there's something to tempt every palate. Sample your way through the food vendors scattered throughout the fairgrounds and discover why Richland County is renowned for its gastronomic delights.

The heart-pounding action of PRCA rodeos takes center stage with two exhilarating nights of competition. Cowboys and cowgirls will test their skills in thrilling events such as bull riding, barrel racing, and team roping, all while vying for top honors and prize money. Prepare to be on the edge of your seat as the arena comes alive with the spirit of the West. Don't forget to wear pink on Friday for "Tough Enough to Wear Pink" night. Every pink shirt in the stands donates \$4 to the Foundation for Commu-

nity Care. On Aug. 3, the fairgrounds will resonate with the sounds of country music as Rodney Atkins with special guest Jerrod Niemann take the stage for a live concert. From chart-topping hits to soulful ballads, these acclaimed artists promise an evening of unforgettable music and memories. Gather

and get ready to sing along to your favorite tunes under the big Montana sky.

Don't miss your chance to experience the magic of the Richland County Fair & Rodeo, where the spirit of the countryside comes

alive in a celebration of community, culture, and tradition. Join us for four days of fun, friendship, and unforgettable memories that will make this summer one to remember.

Two Arrested **Following** Pursuit In McKenzie County

Richard Rodriquez, Jr. (Photo by McKenzie **County Sheriff's** Office)

Lina Oquendo. (Photo by McKenzie County Sheriff's Office)

On July 22, the McKenzie County Sheriff's Office was investigating a completely different event when they were challenged to a motor vehicle race with a 2010 Chevrolet Impala occupied by a male driver and a female passenger.

The 2010 Chevrolet ended up stopping a short time after the pursuit began. The male driver exited the vehicle and began running and was soon apprehended.

The male driver, Richard Rodriguez, Jr., was located and taken into custody for burglary, DUS/DUR (4th or subsequent offense in 5 years); fleeing, reckless driving and an active arrest warrant.

The female passenger, Lina Oquendo was also taken into custody for hindering Law Enforcement and active arrest warrant.

Both individuals are now at the McKenzie County Correctional Facility.

National Night Out 2024 To Be Celebrated Aug. 6

This year's National Night Out will be Tuesday, Aug. 6, 4-7 p.m. at Kent Pelton Nature Park, 501 7th St. SE, Watford City. This community block party will include free food, bounce houses, music, activities for kids, face painting, meet the local First Responders and more.

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community and provides a great opportunity to bring police and neighbors together under positive circumstances.

Neighborhoods across the nation host block parties, festivals, parades, cookouts and other various community events with safety demonstrations, seminars, youth events, visits from emergency personnel and exhibits.

For more information on National Night Out visit the McKenzie County Sheriff's Facebook page.

Sparks Takes Miss Montana Teen Volunteer Crown

Sidney graduate MaKayla Sparks won the 2025 Miss Montana Teen Volunteer pageant in Glendive on July 19. Sparks competed in interview, talent, fitness and wellness in activewear, evening gown and job readiness phases of competition to be crowned by last year's winner Kelly McCloskey. Her platform is mental health awareness. Sparks will take home at least \$1,200 in scholarship money for her win in Montana's contest.

The Miss Volunteer America Program is a nationwide, service-oriented scholarship program that seeks to empower young women across the country through educational scholarships and extraordinary opportunities. The national Miss Teen Volunteer pageant will take place in Jackson, TN, in early March. Other Sidney contestants were Rhett Rossol in Miss Montana Teen Volunteer and Brynlee McNally in Miss Montana Pre-Teen Volunteer. McNally won first runner up in the pre-teen pageant.

Sparks started to take interest in pageants three years ago. "I started doing former Miss Montana Teen Volunteer winner. Sparks is the daughter of Dan and Rachelle Sparks and has one brother and three sisters. She is also involved in Eaglette Drill Team, dance and 4-H. She

OBITUARIES

Dennis "Denny" Latka, 81 Sidney, MT

Dennis "Denny" James Latka, 81, Sidney, MT, passed away peacefully at his home surrounded by family and friends on July 20, 2024. We are so thankful for all your prayers.

Denny was born in Glendive, MT, to Tony and Rose (Grimes) Latka on Sept. 10. 1942. He was the third of seven children. He spent many summers with his cousins, the Rickls, who were more like brothers and sisters to him. He marched to the beat of his own drum. Denny married Carmen Mae Muñoz in 1964. They adopt-

Dennis "Denny" James Latka

ed twin boys at birth, Nathan and Sean Latka, in 1968. Denny's father, Tony, raised cattle on the homestead

of Frank Latka, Denny's grandfather. Tony raised Polled Herefords, attended cattle shows and sales, and eventually held sales of his own cattle on the place. Denny later worked closely with Eugene Aby, DVM, who shared Denny's love for people and animals. Doc Aby was a mentor and friend who greatly influenced Denny to learn everything he could about veterinary medicine. The combination of his dad's livelihood and Doc Aby's teachings allowed Denny to care for his own horses and cattle throughout his lifetime.

Denny pursued a career in drug and addiction counseling. After successful completion of coursework at several institutions, he was officially licensed as an Addiction Counselor by the state of Montana in 1990 and remained active until June 2024. His love for horses led him to become a certified EAGALA (Equine Assisted Growth and Learning Association) practitioner in 2003. Denny established the Equine Assisted Counseling Program at the Dawson County Correctional Facility in 2007, which continues to thrive today. He established a similar Equine Assisted Counseling Program for Judicial District 7 for Probation Youth around 2010.

Denny was a kind and respectable gentleman. He always tipped his hat to the ladies. His beautiful blue eyes and charismatic smile warmed the hearts of many. Carmen talked about getting butterflies in her stomach when she heard his pickup driving up. Sometimes, he would throw his cowboy hat into the house before entering to make sure the coast was clear. He loved Carmen's cooking and was often seen sitting at the kitchen table with a fork in hand waiting for supper. Denny strived to help people wherever he went and always kept his door open. He would often say, "What's the point in having something if you're not going to share it with people?" He genuinely enjoyed caring for and sharing

Denny is survived by his spouse of 59 years, Carmen Latka, Sidney, MT; son Sean Latka, Sidney, MT; brother Paul (Donna) Latka, Townsend, MT; brother Stephen (Judy) Latka, Janesville, WI; sister Dolores Roy, Dickinson, ND; sister Gail Nagle, Glendive, MT; sister Jeanne Smalis, Terry, MT; sister Diane Slagsvold, Billings, MT; six grandchildren and three great-grandchildren.

Denny was preceded in death by his parents Tony and Rose Latka; sister Cecile Latka; son Nathan Latka; niece Dorraine Latka; nephew Wade Roy; nephew Clint Smalis; brother-in-law Hans Nagle; brother-in-law Jim Smalis; brother-in-law Stuart Slagsvold; sister-in-law Nancy (Muñoz)

Visitation took place Monday, July 29, 2024 from 10 a.m. to 5 p.m. at the Fulkerson-Stevenson Funeral Home, Sidney, MT, with a wake and memorial service to follow beginning at 6 p.m.

Mass was held Tuesday, July 30, 2024 at 11 a.m. at St. Matthew's Catholic Church, Sidney, MT, with Father Jim O'Neil as presider. A luncheon for family and friends was provided after mass at the Ned Shinnick Hall. We invite you to join us in celebrating the life of Denny Latka.

In lieu of flowers, please consider donating to Home On The Range, 16351 I-94, Sentinel Butte, ND 58654.

Ceynar Family Benefits Scheduled In Watford City & Williston

On July 7, the Ceynar family faced a devastating tragedy when a house fire destroyed their home and all their possessions. Dustin and Clay Ceynar sustained severe burns and were urgently flown to Minneapolis for treatment.

A Ceynar family benefit will be held on Saturday, Aug. 3, starting at 5 p.m. at the Upper Missouri Valley Fairgrounds, 519 53rd St. E, Williston.

There will be a free will spaghetti and alfredo dinner, lots of fun items auctioned off, fun games, music played by High Voltage Entertainment, plus a live auction.

The Ceynar Family Benefit Ride will be held on Monday, Sept. 2 and will include a 50/50 raffle, silent auction and benefit ride. The meeting point for this benefit is Watford City Eagles Club, 1904 Main St.

The ride route will start in Watford City then go to Lambert, Fairview, Williston, Alexander and end back in Watford City. The cost for this is \$20 per riders and \$10 per passenger. All bikes, cars and trucks are welcome.

Three bank accounts have been set up for the family. 1st International Bank and Trust, Cornerstone Bank and Dakota West Credit Union will accept any contributions, no matter how small, it will help the family rebuild their lives and cover medical expenses.

For more information or to donate for the auction call McKayla Stiyer at 701-866-8591. Donations will be accepted through August 1. All donations can be dropped off at The Pitt, House of Gainz, 1316 2nd Ave. W., Williston or Cornerstone Bank, 106 8th Ave. SE, Watford City.

If you have an item(s) you would like to donate to the silent auction you can reach out to Penny Lee Slagle, Tina Johnston or Andrew Steven Noel.

Berkelee Is A Certified Bookworm

Submitted by Shelby Reidle, Sidney-Richland County Library Children's

Librarian Berkelee Hislop is ready to start Kindergarten after reading 1,000 books! Berkelee and her little sister Remi love picking out 4-5 books to read most nights. Her favorites include "Fancv Nancv". "If You Give a Mouse a Cookie", and any Halloween books. She is a cherished regular at Storytime and looks forward to checking out new library books each week. Berkelee enjoys drawing, reading, painting, and dancing. When she grows up, Berkelee wants to be a police officer. Berkelee, age 5, is the daughter of Raelee Henline and Chance Hislop.

To encourage a love of reading in children, the Sidney-Richland County

Library is promoting "1,000 Books before Kindergarten", a nationwide program that encourages parents and caregivers to read aloud with their children every day. Research continually shows that children who are read aloud to every day before kindergarten will have higher scores and more success when they begin school. Most importantly, sharing books with children promotes a lifelong love of books and learning.

The theme of the Sidney-Richland County Library program is "Reading is Magic". Children receive a small prize at each 100-level milestone, and at the end of the

Berkelee Hislop. (Photo submitted)

program participants earn a certificate and T-shirt for successful completion. This program is free to children ages 0-5 and their families. Stop by the library to sign up today!

OBITUARIES

Genevieve Bruins, 93 Arnegard, ND

Gen passed away peacefully at 93 on Monday, July 22, 2024.

Genevieve Anne Holen was born on Jan. 19, 1931 to her parents, Lawrence and Anne Holen, on the Bolken Farm, north of Arnegard, ND. The story goes that at a whopping 5 lbs., she could fit inside a shoebox! Her birth and death took place on the same family farm.

Gen spent her youth in Arnegard, with a brief time in Camas, WA, and Whitefish, MT. The family returned to Arnegard and Gen grad-

uated in 1949. At age 17, she taught one year in a rural McKenzie County country school, then attended nursing school in Bozeman, MT.

Genevieve Bruins

In September 1952, Gen married John Bruins at Wilmington Lutheran Church, Arnegard. They had five children, Wanda, James, Brenda, Alan and Lyle. In addition to raising her family and maintaining their farm and ranch, she had many roles in healthcare in the community. She served as the County Health nurse, as a nurse at the McKenzie County Hospital, and many years nursing at the Good Shepherd Home, Watford City.

Organizations that Gen enjoyed and participated in included Homemakers Club, American Legion Auxiliary, McKenzie County Hospital Board, and Sons of Norway (where her rommegrot was well known!). Gen was also a pillar and lifetime member of Wilmington Lutheran Church, Arnegard. She served as the church organist for 39 years and was a valued member of WELCA and the quilting club.

Gen's easy-going, hospitable, caring and generous nature made her the best mother, grandmother, great-grandmother, sister, neighbor and friend to everyone she encountered. She loved nothing more than a houseful of company, a good card game, a pot of coffee and a long visit.

As Gen preferred to remain in her own home on the farm, our family, friends and caregivers worked together to ensure that was possible. Our family greatly appreciated that Lyle was there to take care of helping with every aspect

She was preceded in death by her parents, Lawrence and Anne Holen, husband John in September 2006, and son James in April 2021.

Gen is survived by her children, Wanda (Daryl) Holmen, Fargo, ND; Brenda, Williston, ND; Alan (Sheri), Arnegard, ND; and Lyle, Arnegard, ND; five grandchildren and seven great grandchildren. She is also survived by her brother Eugene Holen, Watford City, ND, and sister Ruth (Kenneth) Vick, Loveland CO, along with numerous special nieces

Celebration of Genevieve Bruin's life was held Monday, July 29, 2024 at 1 p.m. at the Wilmington Lutheran Church, Arnegard, ND. Pastor Garrett Gudmundson officiated. Burial followed at the Wilmington Lutheran Cemetery, Arnegard, ND. Visitation was held on Sunday, July 28, 2024 from 1-4 p.m. at the Fulkerson Stevenson Funeral Home Chapel,

The Funeral Service will be livestreamed. You can view Gen's service directly on her obituary page on our website

Deanna Royle Hedegaard, 84, Mandan, ND (formerly of Sidney, MT)

Deanna Royle Hede-

welcomed in the arms of Jesus on Friday, July 19, 2024.

June 21, 1940, the first day of summer. Her mother would tell her "It was the longest day of her life." Deanna Royle

was born to Eylene (Lynd) Childs and Donald Robert Childs. They lived in Lambert for a time before moving to Wisconsin and then on to Chicago a few months later. When Deanna was 3 years old her parents divorced, and she moved with her mother back to Lambert to live with her grandparents, Roy and Essie Lynd. Her mother soon married Virgil Bahls and they eventually went to live on his family farm-ranch in the Three

miles from Lambert. When Deanna was 4 1/2 years old, her mother put her on the train at Glendive and she rode back to Wisconsin to live with her dad, Don and his parents Harrison and Eliza Childs, Steuben, Wi. She was to make that train trip many times as she grew up. She grew up sometimes living in Chicago and Iowa, wherever her dad was at. Things didn't work out so well once her dad got remarried, so after a few more years of going back and forth, she decided it would be easier for all if she just stayed in Montana and so she started high school in Sidney.

She married when she was 16, but it was not a good decision. By the time she was 22 she had 5 children. She was soon divorced and on her own. Life had not been easy up to this point until she met Bill Hedegaard, a young construction worker from Savage, MT. They eventually married and had 2 sons. Being a construction worker meant traveling from one job to another. Bill's work was building power plants and so they lived in a lot of different places. Deanna always said it was up to the wife and mother to make those moves exciting. She thought it was adventurous and fun to move around. She tried to make it fun for the kids too. Unfortunately, all the kids did not live with them all the time and one of her biggest regrets was being talked into splitting the kids up when the divorce was final.

Years later while taking a Bible class, the question was asked what made them love and care about their spouse. Deanna put down that from their very first meeting, Bill made her laugh, and she had not done much laughing up to this point in her life. He was so fun to be around. They were married 58 years on Jan. 3, 2024. She would still say after all these many years he could make her laugh until she cried. They had fun together and talked to each other about everything all the time. It was a beautiful marriage, and she was so thankful that God had put them together.

Deanna has said that God gave her many gifts. She loved to cook and bake and was known for her buns, bread and cookies. She published 3 cookbooks over her lifetime. She also enjoyed quilting and hand-quilted many quilts she made for her family. She also loved to paint and has painted over 85 pictures and loved buying old chairs and such to paint pictures on. She did a lot of writing at one time and even wrote articles for the Sidney Herald Newspaper. She also had a blog on Facebook called Deanna's Place where she wrote stories or commentaries on different subjects. One of her greatest accomplishments was she was able to write a book of her stories and it was published. This was a dream come true for her.

Part of her morning routine was to "put her face on" (makeup). She had to be feeling tough not to be able to have her makeup on and her hair combed and fixed.

Deanna and Bill moved back to the farm in Montana after her stepdad died to care for her mother. They lived out there for 27 years and it was a very difficult time as Deanna's mother had some severe mental health problems. It was a challenging time, but she would be the first to tell you that though it was hard and stressful, she and Bill found Christ and became dedicated Christians. One of God's greatest blessings, besides her salvation, was her husband Bill. She now waits for him in heaven.

She leaves behind her husband Bill, their children: Shannon Cone, Mandan, ND; Mikell (Blaine) Wilkens, Hannover, ND; Russell (Ning) Schow, Houston, TX; Carmen Yantzer, Bismarck, ND; Rhett Schow, Seattle WA; Waylon (Renee) Hedegaard, Mexico; and Shagg (Misty) Hedegaard, Shoshoni, WY; She has 16 beautiful grandchildren and over 40 great and great-great grandchildren. She also leaves behind many loving friends and of course, her many kitties.

officiating. Deanna will be laid to rest in the Sidney Cemetery, Sidney, MT. Coffee and desserts will follow the burial back at the church. Fulkerson Stevenson Funeral Home, Sidney, MT, is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulk-

Yellowstone River Beef Offers Local Retail Beef and Custom Processing

"We are deep-rooted in our community and want to focus mainly on connecting local customers to our local ranches." claims C.J. Thorne and Luke Taylor, Watford City. "We both live near Watford City and chose to form a partnership," they stated.

"Our families have always had our custom processing done locally and we know how handy that is to help the farmers and ranchers," Thorne chimes in.

The young entrepreneurs purchased Yellowstone River Beef, 6 E. Dakota Parkway, Williston, in May and were able to keep all the previous employees at their plant. "We only had to hire 3 additional employees to our crew." savs Thorne.

"We want to change the look to a more locally-oriented custom processing business with locally raised beef." Taylor states. "We want to process local beef from ranchers in northwestern North Dakota and stretching into northeastern information. Montana," he adds.

All beef is USDA federally inspected each day by an onsite inspector whose office is located on the prem-

Fresh or frozen, whole, 1/2. 1/4 are on hand in their retail store, open 8 a.m. to 5 p.m. CT five days a week. "We offer some mixed beef bundles for you at a variety of different price points. which enables customers to call in their orders. "We package for the customer, large or small. Perfect for grilling up nutrient dense, flavorful, quality beef that is 100% locally sourced and processed right here at our plant," offers Calli Thorne.

They have currently expanded by adding an additional cooler and will be adding more butcher spots. There are 2 walk-in coolers and a freezer. All beef is vacuum-sealed and weighed automatically with a sticker containing all the

At this point all beef is sold locally to grocery stores, farmers' markets, and local customers. And the new team is excited to continue expanding their custom processing options for other ranchers in the area.

Yellowstone River Beef is located south of Hwy. 1804 and East Parkway in Williston and will be holding a ribbon cutting ceremony July 29 from 12-1 p.m. with locally owned and locally processed beef at their plant 6 E. Parkway. You may reach the plant at 701-577-

Fort Peck Dam Test Flows Ending Earlier Than Expected

By U.S. Army Corps of **Engineers**

OMAHA, Neb. -- The 2024 flow test from Fort Peck Dam was the first in a series of test flows intended to comply with the 2018 Biological Opinion.

The 2024 flow test was comprised of the following: An attraction flow, which began April 26 and continued through early May, and was intended to encourage Pallid Sturgeon to enter that reach of the Missouri River.

A retention flow of release rates lower than the attraction flow and designed to keep the fish in the designated river reach.

Then, a second spawning peak release took place in late June and early July, intended encourage spawn-

Finally, a drift flow would occur to allow larval sturgeon to develop.

Test flows were intended to determine (1) if alternative water management scenarios from Fort Peck would improve conditions for the Pallid Sturgeon, and (2) to identify the potential impacts of alternative management scenarios.

Through the course of the test flows, extensive monitoring of several Pallid Sturgeon took place but, there was no indication of any spawning.

"Because there was no spawning there is no need for a drift flow, therefore the test flows will end and Fort Peck Dam operations will begin what would be normal releases for this time of year, had there been no test," said John Remus, Missouri River Basin Water Management Division chief.

Beginning as soon as possible releases from Fort Peck Dam will be increased from an average daily flow of 8,000 cfs to an average daily flow of 9,000 cfs.

As per the 2023-2024 Annual Operating Plan these flow rates will be maintained until the middle of September. Although the 2024 test flow is ending early, monitoring will continue as planned.

Interested parties can continue to provide information through a web-based application that can be found at https://hydroviz.ca/fortpeck-feedback.

"We appreciate the participation and feedback during our weekly calls and are aware of the hot and dry conditions eastern Montana is experiencing," said Remus.

"We understand these conditions create a need to irrigate. While it is possible that the slightly higher releases may provide some relief or reliability for irrigators' access to the water, the U.S. Army Corps of Engineers does not provide and cannot guarantee access to the water. There is and will be sufficient water in the river for all water supply needs."

Job change?

Whether retiring or changing jobs, you'll want to know your retirement account options.

There are four potential options for your 401(k) when leaving an employer: Leave it in your former employer's 401(k) plan, if allowed by the plan.

- Move it to your new employer's 401(k) plan, if you've changed
- employers and your new employer plan allows for it.
- Roll the account over to an individual retirement account (IRA). Cash it out, which is subject to potential tax consequences.
- We can talk through your financial goals and find the option that works best for you.

NOTICE OF **LOCAL GOVERNMENT REVIEW ELECTION**

At the June 4th primary election, voters in the cities/towns of Sidney and Fairview and Richland County were asked whether or not they wish to have their form of local government reviewed.

The local government review was initiated by Article XI, Section 9 of the 1972 Constitution and the first review was conducted in 1974. Required every ten years, the local government review election asks voters to decide if they want to elect study commissions to review their city and county governments.

A majority of the electors voted in favor of having a study commission to examine the form of local government for the City of Sidney and the Town of Fairview, the study commission members will be elected at the November 5, 2024 general election.

Interested individuals can file after the primary election as a candidate for the study commission with the County Election Administrator. There is no filing fee, and the race is nonpartisan. Candidates must be electors of the local

government for which the study commission has been established and cannot be elected officials of the local government. Filing for the positions of study commission members will open after the primary election results are certified and close at 5:00 p.m. on August 12, 2024.

The purpose of the study commission is to study the existing form and powers of the local government and compare them with other forms available under the laws of the state. The study commission members must write a report detailing their recommendations for changes to the local government.

The final report of the study commission is presented to the voters of the local government for approval or rejection. The report must be presented to the registered electors for a vote no later than the 2026 general election (November 3, 2026). For more information on this election, please contact your county election administrator: Stephanie Verhasselt at Clerk & Recorder's Office 201 W Main St Sidney, MT 59270. Steinbeisser Placed 1st In The 2023 Steer Of Merit Contest

By Josie Evenson

As the Fair quickly approaches, 4-H members and their families often reflect on past Fair experiences. Last vear Liam Steinbeisser raised a Charolais cross market steer to exhibit at the County Fair. In the live show Liam did well, receiving a blue ribbon, however, he exceeded his expectations in the carcass contest. He placed first place in the Richland County Market Beef Carcass Contest. He then went on to win the Steer of Merit contest for the entire. This is a great achievement. When Liam was asked about placing first in the entire state he said "winning 1st place in the statewide Steer of Merit competition means a lot to me and my family because the steer was born and raised here on our ranch. It's really nice to get some recognition."

The Steer of Merit contest is a contest that is sponsored by Montana State University and the Montana Stockgrowers Association. The definition of the contest found on Montana State University website is "To be designated a Steer of Merit, carcasses are evaluated by a qualified individual using information that relates to yield of lean meat and eating quality. Beef carcasses must meet criteria set by the Steer of Merit Committee in the areas of hot carcass weight, dressing percent, fat thickness over 12th rib (back fat), rib eye area, yield grade, percent cutability and quality grade. Software helps compile data and rank carcasses for state and county awards. Data is also analyzed periodically to track genetic and feed management progress. The minimum standards for Steer of Merit are reviewed each year, and the program is updated to meet changing industry standards." In 2023 there were 136 Steers of Merit named out of the 1,290 entries into the contest.

Liam will have a market steer on exhibit again this vear at the Richland County Fair and Rodeo. He will join 94 other young people who have worked hard since last fall to care for their market beef projects. Liam thoroughly enjoys the market beef project. He said "This project has taught me dedication to things I partake in, to work hard and to push through to the end" when asked what the project has taught him.

Richland County 4-H would like to invite all out to the Fair and encourage everyone to walk through the barns to see the animals that the members have raised. All 4-H members work hard in preparation for this week. We hope the entire community can celebrate their many accomplishments with them.

Pictured is Liam and his steer at last years fair that won the contest. (Photo submitted)

Livestock Water Quality Concerns

By Marley Voll, MSU **Richland County Extension**

As temperatures remain high, it is important to consider not only the quantity of water that your livestock have access to, but also the quality of the water source they are on.

The amount of water livestock require depends on the animal's size, production stage, moisture content of their diet, and temperature. For example, a 1,300-lb. mature beef cow requires approximately 9.2 gallons of water when temperatures are at 40°F, and this requirement increases to 14.3 gallons a day when temperatures are 90°F. When cows are lactating, water requirements are estimated at 12.2 gallons per day in 40°F weather. As temperatures rise to 90°F, that requirements increase more than 40% to nearly 17.4 gallons per day. Ensuring livestock

have access to an adequate amount of fresh water every day is necessary for them to regulate their internal temperature, digest feed, lubricate joints, grow muscle, lactate, and perform other biological processes.

Poor water quality can compromise animal health and production, and in some cases even cause death. The most common issues with livestock water quality include elevated levels total dissolved solids (TDS), elevated levels of sulfate, and cyanobacteria/blue-green algae.

TDS is a measure of the total amount of salts and minerals that are in a water source and is a nonspecific indicator of water quality.

Huge Selection of:

Handy Andy's Sat: 9am - 5pm • Sun: 1-4pm

Nursery Williston, ND | 701-572-6083

Bedding Plants •

Perennials •

Trees

Monday - Friday: 9am - 7pm

TDS over 3,000 ppm may begin to cause animal health problems, and TDS at higher rates can even cause death. As temperatures are elevated and there is increased evaporation from the surface of water sources, there is a higher concentration of salts left behind, increasing TDS

Sulfates can also cause issues with livestock water quality. High sulfate water tastes bitter and may cause some animals to drink less than they need to remain healthy and productive. High concentrations of sulfate can lead to polioencephalomalacia (PEM or polio), a neurological disorder that often can become fatal.

Cyanobacteria, also known as blue-green algae, is a type of algae that occurs in stagnant water and releases toxins that can be harmful to animals, and often lead to death. Blooms can be green and are often blue when they dry on the surface or the shoreline of the water. The only way to protect livestock from risk of toxin if cyanobacteria is present is to remove them from the water source.

The Richland County Extension Office can assist you in testing your water for livestock water quality. In the office, we can estimate TDS and sulfate levels, as well as assist you in sending your water to a commercial lab for testing for cyanobacteria. Please reach out to the office if you need your water tested, 406-433-1206.

MDA Pesticide Container Recycling Program Set Aug. 13

The Montana Department of Agriculture's pesticide container recycling program provides pesticide applicators with the means to recycle their clean and rinsed HDPE plastic pesticide containers. The mobile grinding unit and a 40 ft.

drop down trailer will be making a stop in Sidney at the Richland County Weed District on Aug. 13 from 9 a.m.-3 p.m.

It is required that all pesticide containers be rinsed of product, adjuvants, and oils, that containers are

dry, and that foil seals and label booklets are removed. Larger 30-50-gallon drums must be cut into 1/8ths. Totes and crate container plastic, measuring cups, spray wands, and pumps are not accepted.

Join the Xerces Society's Bumble Bee Atlas For Field Training Day Thursday, Aug. 8 in Lambert

The Xerces Society will be conducting their Bumble Bee Atlas for Field Training Day, Thursday, Aug. 8 from 9 a.m.-11 a.m. at the Lambert Park. From there participants will be driven to the field site outside of Lambert.

At this field training, Michelle Toshack (Xerces Society) will teach the basics of surveying bumble bees. This event will be a great way to learn how to use an insect net, collect data according to project methods, and identify local bumble bees!

Bring: water, snacks, and sun protection. Michelle will provide insect nets and other project equipment.

The Montana Bumble Bee Atlas is a state-wide community science project actively tracking and conserving wild bumble bees. Anyone is welcome to join the Atlas-no experience is

2024 CROP YIELD CONTEST

HARD RED SPRING WHEAT - DRYLAND & IRRIGATED | DURUM - DRYLAND

horizonresources

Solutions for your success.

Win A Traeger IronWood XL!

ENTER BY AUGUST 10TH

SUBMIT SAMPLES BY OCTOBER 1ST

The entries with the highest per acre yield from each crop category will be selected. The quality (grade, test weight, protein etc.) will determine the winner. There is a limit of one prize per entrant. If an entrant wins multiple categories, the prize will be awarded to the runner-up. The name of the contest winner will be published in our newsletter and other outlets. The yield of the contest winner will be kept anonymous unless the winner permits us to publish the yield, quality, and management practices (variety, fertility, herbicide, crop protection etc.). Winners will be notified via email.

CONTEST DEADLINES

Entry forms must be submitted by **August 10th, 2024**. Yield, moisture, field information and grain sample(s) must be submitted by October 1, 2024, 11:59pm (CT). A Google form will be provided to entrants. No late entries or harvest data will be accepted. Qualifying crops include hard red spring wheat and durum.

CONTEST QUALIFICATIONS

Entrants must be a member customer of Horizon Resources Co-op in the Agronomy and/or Grain divisions. Partnerships can enter under the partnership name if the partnership is a member customer. Entrants must farm a minimum of 100 acres of the submitted crop type.

Please read contest rules carefully before completing the entry form. For questions or issues with your entries, please contact Dr. Audrey Kalil before the deadlines at 701-572-8354 or akalil@horizonresources.coop
